To Whom it May Concern:

I want to deny this Petition. First of all, I worked very hard all my life and I am entitled to recover damages for my asbestos illness.

It seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct.

The real crisis in Michigan is the failure of corporations to take responsibility for their bad actions and the willingness of big business and certain conservative republican judges to blame the victims of corporate misconduct instead of holding the corporations accountable!!

I just want to protect my rights!!!! Please deny this Petition and don't deny me and other working people of our rights to a trial by jury.

Sincerely,

Jack A. Craig
